### SUBMISSION INSTRUCTIONS

The conference will focus on original research that has implications for practice or policy. Research abstracts are encouraged in all substantive areas, using scientifically sound qualitative and/or quantitative methodology. References are not required. Preference will be given to papers that demonstrate cohesiveness across presentations.

Abstracts should be submitted in a structured format and include the following: *Introduction/Background and Purpose*: description of the problem, study objectives, research question(s) and/or hypothesis (es). *Methods*: study design, including a description of participants and sampling methods, data collection procedures, measures, and appropriate analytic/ statistical approach. *Results*: specific results in summary form. *Conclusions and Implications*: description of the main outcome(s) of the study and implications for practice, policy, or further research. *Note: Image(s) and table(s) are not permitted in any abstract.*
