

## Course Description

**Faculty:** Faculty of Social Science

**Study program:** Albanian language and literature

**Course Title:** Onomastics

**Course Credits:** 4

**Language of Instruction:** Albanian

**Course Description:** The Onomastics course informs the student about the knowledge of toponyms and anthroponyms in the albanian language as well as their divisions. Knowing toponyms and anthroponyms, he also gets information about the history of their formation, the origin of words, their word-forming structure.

**Course Goals:** Onomastics aims to train a student in the knowledge of names in the albanian language, toponyms and anthroponyms. It provides basic linguistic knowledge of their formation, their structural side, their origin as well as the connections these names have had with foreign influences.

**Course Requirements:** Activation in seminar sessions and attendance. Coursework. Exam.

**Grading:** Attendance: Activation in seminar sessions and attendance - 10 points

Continuous control: Test during the semester: 30 points

Exam: 60 points

**Course Schedule:** The student must attend 75% of lectures and seminars. In another case, any absence must be justifiable. He should be active in the seminars, either with the preparation of a topic, or in the development of exercises. This helps the student earn points during the semester.
