

FOST INNO

The purpose of the "FOST INNO" is to establish a scientific basis for the growth of sustainable tourism and to establish an organized network of stakeholders who will coordinate and give long-term support for innovations development efforts in the Adriatic-Ionian area. Main objective is the development of the Strategy for fostering innovations in sustainable tourism and Action plans for strategy implementation for Adriatic-Ionian area. Another objective is formation of the Adriatic-Ionian Tourism Innovation Centre that will promote innovations in Tourism sector.
